The President's Message

Hello fellow members, welcome to summertime and the second half of our Women's Club year! In my message last month, I brought you the truly amazing story of Ann Hussey from Berwick, Maine who was recognized as a "Champion of Change" by the White House. Her story is an inspiration and she does it all in spite of her daily health struggles.

I bring this up to remind us that we all have a responsibility to give back to our community and the world around us. President John F. Kennedy, speaking to the Massachusetts legislature in 1961, was quoted as saying "For of those to whom much is given, much is expected in return." I have found that this has become very important to me especially since I have retired and have "been given" more free time. Probation officer for the Juvenile and Domestic Relations Court.

"Don't worry, Mom, there is always someone who needs you".

As long as we are still "able", there are always people who need us. Our Charities need us!

Those of us in our Women's Club can also be considered "Champions of Change". Many of our members will have supported our Fundraiser this past Wednesday by attending or by sending a donation or by entering raffle bids. All of us can help support our many other activities during the rest of this year.

If you need a ride to any of our events and activities please call any one of us on the Board and we will see to it that you are taken care of. We have always encouraged carpooling whenever possible.

The Board strongly encourages members to attend the monthly meetings, which are integral to IWCNE. Luncheons promote friendship, introduce new members, provide information about club activities as well as furthering our mission of understanding the diversity of cultures in our country and throughout the world. It is also your opportunity to invite friends who can learn about the club and its various programs and projects.

WCI CORNER

In May, 2014, WCI will hold it's biannual conference in Hamburg, Germany. The Schedule of Events has been published on the WCI website.
