Once again your IWCNE Board of Directors invites you to a Holiday Celebration party at the Clubhouse of Shephards Cove in Kittery. This is the Board's way of thanking the membership for all your support and hard work.

It will be held from 2-4 PM on Saturday, December 5. There will be light food (this is not a pot luck) and beverages, music and merriment. (No football). So bring your holiday cheer and sing-a-long voices! Please email Lucille at lucillegen@gmail.com or call (207) 967-5623 if you would like to attend.

November 28 Program: Art HOPE 1000 Healing Cranes

Come together with others and become your creative self at your best. Humans are social animals and one aspect of our connectedness to others is the natural process of getting together with our peers and the community at large to share a creative experience.

Art-making, the experience of creating, art-taking, experiencing what is created, and art-giving, sharing creative experience, are the ways creativity happens and wellness is activated. Showing up and being present for creative experience, solo or in a crowd, is how we can uplift and heal the human condition. Communing and coming together with our own creativity or the shared expression of a group can be a way to wellness. Because our creative nature is social and we like to celebrate life, the experience of getting together with friends and community members can bring us to a common ground for common good. Common ways we are united by the expressive arts can be a concert, an art exhibition or festival, a theatrical or dance performance, a seasonal celebration or fair, a poetry reading or book club, or a creativity workshop where we learn new skills and develop a talent or interest. Community is creative.

The Board strongly encourages members to attend the monthly meetings, which are integral to IWCNE. Luncheons promote friendship, introduce new members, provide information about club activities as well as furthering our mission of understanding the diversity of cultures in our country and throughout the world. It is also your opportunity to invite friends who can learn about the club and its various programs and projects.

A most successful Jazz Brunch was enjoyed on Sunday, October 18 at The Dockside Restaurant in York Harbor, Maine by over 36 of our members and their guests. As always the Norton Zieff trio created a fabulous potpourri of semi-classical, jazz and old standards with some Italian vocal favorites thrown into the mix.
