UPCOMING EVENTS

October 22- Jonathan's

The Wells Reserve is one of coastal Maine's treasures. The Wells Reserve at Laudholm Farm is part of the Wells National Estuarine Research Reserve. It includes land of The Rachel Carson National Wildlife Refuge. It's a non-profit organization that conducts research, educational and recreational programs on its magnificent 1600-acre grounds which have trails leading to the Atlantic Ocean offering splendid vistas of wetlands, beach, dunes, woodlands. Our speaker, will be the organization's stewardship coordinator, Tin (not Tim) Smith, (646-1555 ext 119 or 676-2209). He will address such subjects as the environmental consequences of insignificant actions, and the importance of rescuing from development unique undeveloped areas of land such as the Wells Reserve, enabling visitors to enjoy and appreciate a vast area of coastal Maine that has not changed over the years.

November 26 - Stage Neck Inn

Our November program will be handled by International Women's Club of New England member, Tinker Newick, an exceedingly well-traveled woman and dynamic speaker who recently visited Peru as a participant in an Earthwatch project in the Peruvian Amazon. This two-week project included scientists from Peruvian universities as well as Peruvian students along side of whom she worked as they collected information about the various species in the area. Surveyed species included macaws, caiman, dolphins and various fish species including endangered species; the information gathered points to the health of natural life in the area. Highlights of her presentation will also include the extensive excavations she visited at the famous World Heritage Site of Machu Pichu and a description of two island communities on Lake Titicaca, the vast lake that spans both Bolivia and Peru. Call 363-7536 for additional fill by Tinker.

TODAY'S LUNCHEON PROGRAM

Jim Nowak, Executive Director and Co-founder of the dZi Foundation. This extraordinary Colorado-based organization currently focuses on a program called RAV which means "Revitalize a Village." Through RAV, dZi works with the most remote and underserved communities, such as a current one in eastern Nepal. These villages, populated primarily with low castes, are multiple day treks from the nearest road; as a result, they have

been overlooked by other aid organizations as well as by government. For a period of 4-6 years, dZi works directly with members of these seriously overlooked neglected communities, aiding them in building sustainable programs created to improve the quality of life of individual members through building local infrastructure, generating income.

The President's Corner

Dear Friends,

It has been a very distressing time for us all with the recent passing of Priscilla and the challenging issues of Rose and Audrey as well as others. I am very proud of our members who have come to their aid by helping out with shopping, going to lunch and driving to doctors' appointments. It has been above and beyond the call of duty. It makes me want to embrace life, all the wonderful activities in it and all the loving friends and family in it so much more than I have already done. Each day is such a gift to us all and it is at times like these that we recognize our mortality and vulnerability. I know I will strive to work even harder for the remaining year and next. I encourage you all to do the same. Please take advantage of our wonderful Strawberry Banke Day on September 18th, our Holiday Fair on November 12th, and our holiday party in December as well as our pot-lucks, Luncheons and special activities. Join our French Club, Les Chanteuses or host an event. No offer is too small or too large for us to accept. We are grateful for everything each and everyone of you do. We are grateful for everyone of you. Let us all celebrate life and together and be appreciative of every day.

In friendship,
Ellen F.

Holiday Fair

The IWCNE Holiday Fair will be Saturday November 12, 2011 at the York Middle School from 9:00 to 2:00.

Work on the Holiday Fair is progressing well, thanks to the hard work of the Fair Committee. We're now at the point that we need help from other members.

Marilyn Barnett has volunteer workers for the kitchen, but would like more so that no one has to work all day. If you would like to help, please call Marilyn at 207.363.7496. She wants to have a meeting with volunteers ahead of time, so that things will run smoothly that day. She can't let people help who have not met with the committee.

If you'd like to help in other ways, we need people at both entrances, at our craft and basket tables, and as "floaters". If you'd like to volunteer for an hour or two, please call Charline Ludgate at 207.439.8884.

We also need items. Regina Godfrey will ask everyone who can to bake. She would also like aprons, cookbooks, and high

quality kitchen utensils, as well as help that day. Please sign up for baking at a luncheon or call her. She would like to have both food and other things on Friday if possible. If not, please bring them early Saturday.

We are looking for additions to our baskets: new dish towels, new hand towels, baking mixes, crackers, candy, nuts, tea, coffee, nice toiletries and soap, and preserves or jams and jellies. If you have any of these items or other possible additions, please bring them to Ellen O'Toole's house or call her at 207.439.3172 to arrange a pick up.

In addition, if you'd like to help with crafts or baskets, the group will meet at Pat Dateo's at 1:00 pm on September 27th. Additional workshops will be held on October 4th, 11th, and 25th.

Remember, this is a major fundraiser for our charities and also a lot of fun, so we hope all members will contribute in some way.

Story of our IWCNE Logo

During my 18 years living in many countries on the African continent and in the middle East I had the privilege of being a member, starting or was elected to run, an International or American Women's Club. On October 30 1980 I, as the Founder and president, opened the first Luncheon of the International Women's Club of Douala, Cameroun, West Africa with the first Logo in place. The second Club I started was in January 1983 in Dallas, Texas. The third was our New England Club in March 1992.

The Logo, Mission statement and Bylaws were the same in all three clubs. The tree Logo represents life, rebirth, growth, friendship and the world. As the first Club I started was in Cameroun, Africa, the symbol of the oil palm tree (therefore

the kernels) was chosen. This is where You, the club member on your life's journey, take a short break to sit down under the palm tree to replenish and where the branches which have drawn their strength from the earth will shelter you from the sun, and through the friends you meet here, however short the stay, your life's many challenges might be shared and in many cases a lasting friendship would occur, before you move on.

The pine cones were added to represent IWCNE. The decision was voted upon by the IWCNE Board during my presidency in 1992.

The Board strongly encourages members to attend the monthly meetings, which are integral to IWCNE. Luncheons promote friendship, introduce new members, provide information about club activities as well as furthering our mission of understanding the diversity of cultures in our country and throughout the world. It is also your opportunity to invite friends who can learn about the club and its various programs and projects.

As a visitor at the last French Speaking Group Luncheon, she will now be part of our group permanently. We are so glad to have you join us.

Please keep in your thoughts and prayers the following recently hospitalized members and member spouse: Sylvia Rubin, Rose Safran and Chip Wilde (Betsy's husband).

Our condolences to long-time member Nancy Ramsdell and her family on the loss of her Dad, Neal. As leader of a wonderful musical group, the Ramsdell Ramblers, Neal's music enlivened many of our Club's annual St. Patrick's Day parties.

The author of the lovely, heartfelt piece on Priscilla Schwartz last month was Deb Levine. Also missing in our haste to publish were tributes from founder Anna Kristina Sawtelle:

Priscilla Schwartz in Memoriam: You were beautiful, vibrant, intellectual. The world was your friend and you were a friend of the world and service above self was your mission. Rest in Peace, dear Friend

And from Welcome Clubs International: To the Members of the International Women's Club of New England:

On behalf of the Executive Committee, and the many Member Clubs of Welcome Clubs International, our deepest sympathy for the loss of your member and Welcome Club International's Officer, Priscilla Schwartz. When Priscilla joined as Secretary of the Welcome Clubs International's Executive Committee she quickly won our respect and hearts. It was our pleasure to have her with us. We will miss her greatly and share the sorrow of the loss of your member.
