President's Message

I hope you all are enjoying the nicer weather and longer daylight hours as much as I am. I especially enjoyed the many activities the Club has had during May, June, and July-- picnics, Committee meeting, zumba, book club, and a fun trip to the Gneiss Brewery in Limerick, Maine, but best of all is our first Luncheon meeting. We expect to have 49 at the first luncheon since February 2020. How wonderful is that?

Committees are working hard on the Craft Fair which will be on August 7 (with a rain date of August 8), and on the Fashion Show which will be at Wentworth by the Sea Country Club on November 7.

I am looking forward to seeing so many of you at the Luncheon Meeting and again at the Craft Fair.

All the hard work and commitment of Club members goes to support the charities we selected for this year's grants:

YOUTH JOURNALISM INTERNATIONAL - connects student writers, arts, and photographers with peers around the globe, teaches journalism, fosters cross-cultural understanding, and depends a free youth press

OYSTER BAY WOMENADE - located in Durham, NH, provides assistance to community members in times of hardship. They assist when no other resources are available, helping community members through short-term crises, whether paying for heat, rent, or a car repair

FINDING OUR VOICES - Breaking the Silence of Domestic Abuse this organization marshals survivors voices (from 18-21 years old) to educate everyone about the complexity, insidiousness, and pervasiveness of domestic abuse, to help girls and women recognize, avoid, safely leave, and heal from dangerous relations, and to bring about systemic change.

GRAHAMTASTIC CONNECTION - provides free technology to children with cancer and other serious illnesses to support their education, as well as social and emotional wellbeing, technology, including iPads, laptops, robots, and internet access, enables our children to continue their education during treatment while also remain connected to family, friends, and medical providers.

ACTIVITIES

For those of you new to the club, "Activities" are the fun outings we do - excursions, trips to exhibits, etc., a few times a year, which are not dedicated to fundraising, but rather, just to having a good time together.

IWCNE fun trip to the Gneiss Brewery

We dodged the raindrops and had a great day at the Gneiss Brewery on Saturday July 17th. 20 members/guests listened to a talk about brewing from the owner, Dustin. Then we ordered beers from the beer menu (over 20 micro brews on offer), and ate some delicious German inspired food from the Salty Moose food truck. Mac and Cheese made from spaetzle (who knew)? All agreed it was definitely worth the drive through the woods!
