MESSAGE FROM THE PRESIDENT

Last year we celebrated completing 25 successful years as a vital part of our community. Over the years we have evolved and adapted. Twenty-five years ago the internet was in its infancy and a mobile phone was the size of a shoe box! So, it stands to reason that we need to update our bylaws. Please read the following

TWO NEW BOARD POSITIONS

It has been proposed that IWCNE add two new positions to our board:

1. Potluck Coordinator

This is a year round position that requires a lot of effort and coordination. Lynne Gass, who serves in this position now, comes to board meetings but does not have a vote. It is felt that she (and future members who hold the position) should be an "official" member.

2. Tech Coordinator/Web Manager

We have a need for this position in several capacities. Having luncheons in different locations with different systems and speakers with different needs, it is important to have a tech coordinator to set things up. We would also like for the coordinator to take over management of our web page, which will save the club the money we pay an outside person now.

Following Article VIII, section 2 of our by-laws, we ask that members read this request and come ready to vote at our August luncheon.

If you have questions, please call or email Charline Ludgate at 207-439-8884 or ccludgate@comcast.net

The two main fundraising events for IWCNE have traditionally been a Fashion Show, usually in the spring, and the Holiday Fair in November. For several years Ellen O'Toole has done a wonderful job leading the committee that produces the Fashion Show. However, she cannot continue in 2019 and we need to find another member to chair this committee and coordinate a Fashion Show (or a different event) in late spring 2019. Ellen is willing to teach and talk to you about planning large events and helping with all her knowledge. If you are interested in learning more about this opportunity (please don't be shy about learning more), please contact Ellen Farber-Libowitz, Fundraising Chair at 207-251-1746 or musicaellen@yahoo.com.

The Board strongly encourages members to attend the monthly meetings, which are integral to IWCNE. Luncheons promote friendship, introduce new members, provide information about club activities as well as furthering our mission of understanding the diversity of cultures in our country and throughout the world. It is also your opportunity to invite friends who can learn about the club and its various programs and projects.

Fuller Gardens is a meticulously kept botanical garden across from the ocean featuring thousands of rose bushes and hundreds of varieties that bloom from June through October. The gardens are lined with large sculpted hedges, and the rose beds are framed by well-kept turf paths. After visiting the gardens, we'll enjoy lunch at the Galley Hatch in Hampton, a short drive from the gardens. Our thanks to Marion McAuliffe for providing a wonderful lunch after our tour of Emerson Wilcox House, Museums of Old York on July 11th. She made us a lovely lunch and we donated \$10 each to our charity account. It was like a potluck where you didn't have to bring anything. Thank you, Marion, for this great idea.
