## President's Message

The evening before our last luncheon our guest speaker realized she was too ill to attend. What to do? Well, I didn't have to think for one minute: I called Anna Kristina! And, of course, she was willing and able to fill in as our speaker. Her subject was the special problems she encountered in organizing international women's clubs in Tripoli, Lybia; Cameroun, and other places. At the end she read to us a plaque presented to her by Ruth Collins in Douala, Cameroun in 1982. The sentiment is so wonderful, I wanted to share it with all of you.

**That Woman is a Success...**Who loves life and lives it to the fullest;  
who has discovered and shared the strengths and talents that are uniquely her own;  
who puts her best into each task and leaves each situation better than she found it;  
who seeks and finds that which is beautiful in all people... and all things;  
whose heart is full of love and warm with compassion;  
who has found joy in living and peace within herself.  
(Barbara J. Burrows)
