AUGUST LUNCHEON REPORT

The August luncheon buffet was held in the beautiful upstairs room of the Wentworth by the Sea Country club. The weather was beautiful, food delicious and company delightful. Several members who have joined recently were there and it was fun to get to know them better. Anna Kristin spoke during the business meeting and explained how it came to be that we have the honor of hosting a group of women from Azerbaijan for our Jubilee celebration. The speaker was Lee Anderson. She told us in words and from ashram to ashram in southern India. An ashram is a spiritual community devoted to praying to some of the many Hindu gods and to feeding the local people - some up to a thousand a day. This trip was no frills and despite the high temperatures and lack of amenities, Lee found many beautiful images to show us of statues, people and architecture.

NOVEMBER'S LUNCHEON SPEAKER

Audrey Gottlieb - "Queens, USA: A Global Celebration"

For 20 years (from 1985-2005), while living in Queens, New York City's largest borough, Audrey documented the country's largest wave of immigration. Her photographs reflect the lives and celebrations of many new immigrant groups living and working in architecturally unglamorous neighbors. The images depict rituals and traditions, including ethnic feasts and processions that the newcomers carry over from the old country and blend into the new one. They are examples of the rich diversity our hyphen-Americans contribute to global society.

TODAY'S LUNCHEON PROGRAM

September's Luncheon Speaker: IWCNE Member, Lynn Pahland

Retired Director, Health Promotion and Wellness Policy, Reporting to Deputy Assist. Sec. of Defense for Health Affairs "Focus on General Health Promotion Opportunities with Select Foreign Militaries" will be her topic. Specifics on targeted HIV prevention activities (with subsequent additional attention on malaria and other blood borne illnesses), US Military and select foreign militaries and international peace keeping forces. The program was initiated in the Clinton administration and has grown from selected sub-Saharan African countries to selected worldwide countries. Activities were coordinated under guidance of the DOD, the State Department, involved country militaries and Ministries of Health, and many other NGO's and education entities.

The Board strongly encourages members to attend the monthly meetings, which are integral to IWCNE. Luncheons promote friendship, introduce new members, provide information about club activities as well as furthering our mission of understanding the diversity of cultures in our country and throughout the world. It is also your opportunity to invite friends who can learn about the club and its various programs and projects.

AUGUST GALLERY GOERS

On August 16, the Gallery Goers toured the Pepperell Mill Campus in Biddeford. Members enjoyed a two-hour walking tour of buildings built as early as 1845 and visited the water power tunnels built in 1837. Tour guides and former mill workers, Moe Paquette and Dave Bishop, brought the site to life. Following the tour, members enjoyed lunch at The Run of the Mill. Thanks to Donna Freni and Pam Lynch for planning such a terrific event.
